EXPERIENCE

General Assembly, Remote — *Software Engineering Fellow*

October 2022 - PRESENT

500+ hour immersive program that taught me all about software engineering and gave me opportunities to build projects based on the skills we were learning.

T&N Nails , Fort Wayne, IN — *Nail Technician*

September 2017 - December 2021

I worked hands on with clients to deliver what they were looking for. I was able to communicate well with my clients and be understanding with attention to detail.

SKILLS

- Css & HTML
